enriching lives, exceeding expectations

My Dental Channel's Inspiration for the Week

"It is our choices, not our conditions, which determine our business strength and financial independence."

We create our own tone and reality within our own practice. Your team will follow the leadership you choose to create, the expectations you aspire toward. External forces may shade your practice in temporary periods, but your practice is not the flag blowing in the wind of economic, or business climate.

Here's to creating and leading!

Your host, John Buzza
