My Dental Channel's Inspiration for the Week

"Everything you want in your life rests beyond your comfort zone. If it were comfortable, you would already have it."

In practice: Most of us reach to the end of our comfort zone, to try and grasp the things we want to add to our lives. Whether it is managing the team, refining the practice, or growth needed in the practice. All require us to stretch beyond our current comfort zone.

So, welcome the stretch!
