enriching lives, exceeding expectations

**Continuing Education Center delivered in
audio and video for the Dental Professional**

My Dental Channel's Inspiration for the Week

Definition of Insanity: "Doing the same thing over and over and over again, expecting a different result."

In practice: If you want a different outcome, you must use a different strategy than you have exercised in the past. Look for new strategies, ask others for their input. Ask yourself, if my best friend had this challenge, what would I encourage them to do?

So, start using a different strategy!

Your host, John Buzza
