

My Dental Channel

enriching lives, exceeding expectations

**Continuing Education Center delivered in
audio and video for the Dental Professional**

My Dental Channel's Inspiration for the Week

"If you want a better answer, ask a better question."

In practice: Take a moment before asking, to be clear in what you are asking of someone else. If they do not give you the answer you seek, pause, regroup, and refine your question to be a better question. Take responsibility for your questions, being partly responsible for influencing the quality of any answer you receive.

So, ask better questions!
Your host, John Buzza

Got Questions? We have Answers. Visit our "Ask the Expert" area on our site.
