My Dental Channel's Inspiration for the Week

“Seek the counsel of people who will tell you the truth about yourself. Mere commendation will not bring the improvement you seek or need.”

In practice: Encourage and welcome constructive criticism from trusted sources. Most of us do not have a good mirror reflection of the areas we can improve upon. Have others in your life who are better than you in the things you want to improve upon.

So, start seeking counsel!

Your host, John Buzza
