Generate The Lead

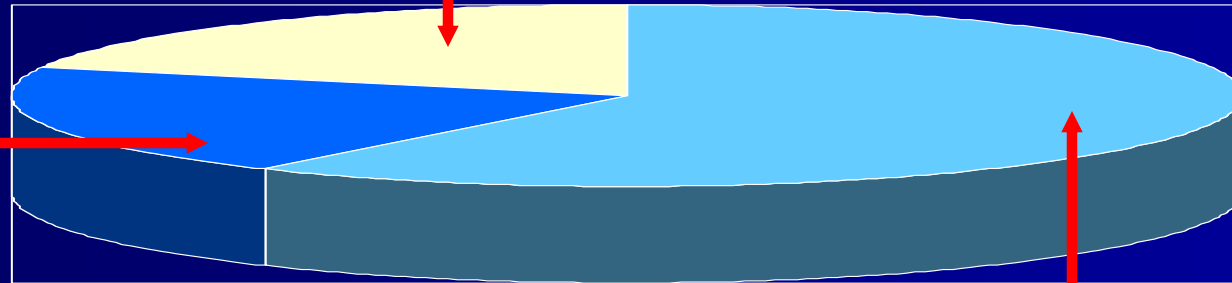

1. Let's say someone goes to Google and searches "tooth whitening." If you've set up a PPC campaign, and optimized the site, your site is one of the top results, so visitors "click through" to the site's Tooth Whitening page.
2. Instead of a page with "cookie-cutter" information, you offer them e.g. the "Patient Report: 2 Easy Steps to the Bright White Smile You've Always Dreamed of."
3. The visitor completes a contact information page after reading some general information, and they receive the Special Report via email.

Website Visitors Fall Into One of Three Categories

20% Of Potential Patients will Appoint Immediately.

20% Will Probably Never Appoint.

60% Of Potential Patients Are Left.
What Happens To Them???

The Forgotten 60 Percent aka *The Tire Kickers*

"The remaining 60% of people who look for information are likely to buy within 1 year."

Amazingly, though, most dentists don't know how to target this huge source of potential patients!

You can help your Client, because you are about to learn the keys to converting the Forgotten 60...
